

## **Personal Injury Solicitor**

### **Nottingham Office**

We are recruiting a personal injury solicitor or equivalent with experience of dealing with road traffic accidents, employers liability, public liability and occupiers liability claims notified on the MOJ Portal.

Our Personal Injury department specialise in claiming compensation for those who have suffered injuries as a result of accidents, clinical negligence, criminal assaults and historic abuse.

If you believe in and can deliver an exceptional quality service and share our ethos and commitment to clients, this role based at our Nottingham office may be ideal for you.

#### **Candidate**

You will:

- Have experience of dealing with claimant personal injury matters with ideally 1 year + PQE or relevant experience.
- Have a good academic background
- Possess exceptional client care skills
- Have knowledge of IT systems and processes
- Be a team player
- Have a desire to develop and progress

#### **Key responsibilities**

You will:

- Look after your own case load of MOJ portal claims
- Develop an ability to deal with non-portal claims
- Be willing to assist with more substantial matters
- Integrate and be part of a small, friendly team undertaking varied, interesting and substantial cases
